

Who is Hearts and Hands?

Our Clientele (Care Receivers)

Hearts and Hands: Faith in Action serves older and physically challenged adults.

Our Service Areas

Hearts and Hands provides services throughout Erie and Eastern Niagara Counties.

Our Slogans

Neighbor Helping Neighbor Since 2003

We Make Volunteering Easy!

- Accept only the assignments that fit in your schedule.
- We handle all the arrangements.
- Mileage reimbursement and supplemental insurance coverage is provided for all volunteers.

Our Boilerplate

Hearts and Hands is a nonprofit organization that matches caring, reliable volunteers with older community members who have essential needs, like transportation, to ensure they can continue living independently. Volunteers provide transportation to medical appointments, routine errands, and social/recreational visits. They're also available for companion visits/caregiver support, phone pals, minor home maintenance, and assistance with basic household chores.

The organization, founded in 2003, provides services to underserved areas of Western New York, with administrative offices at 518 Bewley Building, Lockport, NY 14094, and program coordinating offices at 70 Main Street, Akron, NY 14001 and Schiller Park Senior Center 2057 Genesee Street, Buffalo, NY 14211.

Our Funding

Hearts and Hands receives funding through sponsors, donors, and federal/local grants, including grants from the United Way of Buffalo and Erie County, Erie County Department of Senior Services, Niagara County Office for the Aging, and private foundation grants. Services are provided at no charge to our care receivers.
